## **Description:**

**Book Description** The courseware is designed to give educators complete control and the ability to customize the course to fit their needs. MTO is designed with the instructor in mind. From the initial menu screen, users can easily link to all MTO courseware features in a format that works in tandem with the text. An alphabetical listing of terms is provided, each with an audio pronunciation along with its definition, to help reinforce spelling, foster clearer understanding of the term's meaning and enhance memorization. Case study questions are included for reviewing for quizzes and tests. MTO

also features dynamic illustrations that allow users to identify words and their meanings visually as an effective way to learn medical terminology. This version of Medical Terminology Online accompanies Medical Terminology Systems: A Body Systems Approach, 5th Edition, providing a seamless integration between text and online courseware. Package includes text, audio, and IMT v2.0.
